About probiotics and Bulgar Biotic:

We live in times of stress and uncertainty. We are in a hurry, we work, we win, we laugh, we struggle with our emotions ... Until one day we realize that we are about to lose the most precious gift given to us at birth - **health**. That is why Bulgar Biotic turns to **Lactobacillus bulgaricus** - the first natural probiotic in the world. The long and healthy life of the Bulgarian people was the result of the daily consumption of fermented milk and other lactic acid products produced in Bulgaria, which still remain the most beneficial for the Bulgarians.

Combining the old traditions of extracting **the most valuable natural ingredients and advanced production technologies**, Bulgar Biotic offers the highest quality probiotics under the brand name "Bactojoy" and with Lactobacillus bulgaricus!

Our mission is to help people feel healthier, more energetic and smiling.

Product description:

Bactojoy Gastro Balance is a new generation synbiotic produced in Bulgaria on the basis of authentic **Lactobacillus bulgaricus and medicinal royal jelly**. Provides **strong immunity** by helping to build immunological protection against colds and viral infections. Royal jelly also strengthens the immune system and can be beneficial in diseases of the liver, kidneys and pancreas, as well as in gastric ulcers and bone fractures.

Supports the normal functioning of the gastro-intestinal tract and strengthens the protective functions of the body. Helps to provide energy to the body. Contributes to weight regulation and blood pressure. It has a beneficial effect on cholesterol metabolism and the natural hormonal balance. Improves condition of hair, skin and nails.

In what case it is offered to the client and how it helps :

- As **prophylaxis**:
