About probiotics and Bulgar Biotic:

We live in times of stress and uncertainty. We are in a hurry, we work, we win, we laugh, we struggle with our emotions ... Until one day we realize that we are about to lose the most precious gift given to us at birth - **health**. That is why Bulgar Biotic turns to **Lactobacillus bulgaricus** - the first natural probiotic in the world. The long and healthy life of the Bulgarian people was the result of the daily consumption of fermented milk and other lactic acid products produced in Bulgaria, which still remain the most beneficial for the Bulgarians.

Combining the old traditions of extracting **the most valuable natural ingredients and advanced production technologies**, Bulgar Biotic offers the highest quality probiotics under the brand name "Bactojoy" and with Lactobacillus bulgaricus!

Our mission is to help people feel healthier, more energetic and smiling.

Product description:

Bactojoy tablets is a new generation synbiotic produced in Bulgaria, based on **authentic Lactobacillus bulgaricus and colostrum**. Helps to maintain **the balance of the intestinal microflora and the digestive system**. Stimulates the obtaining and maintenance of natural immunity. It has a nice vanilla taste.
